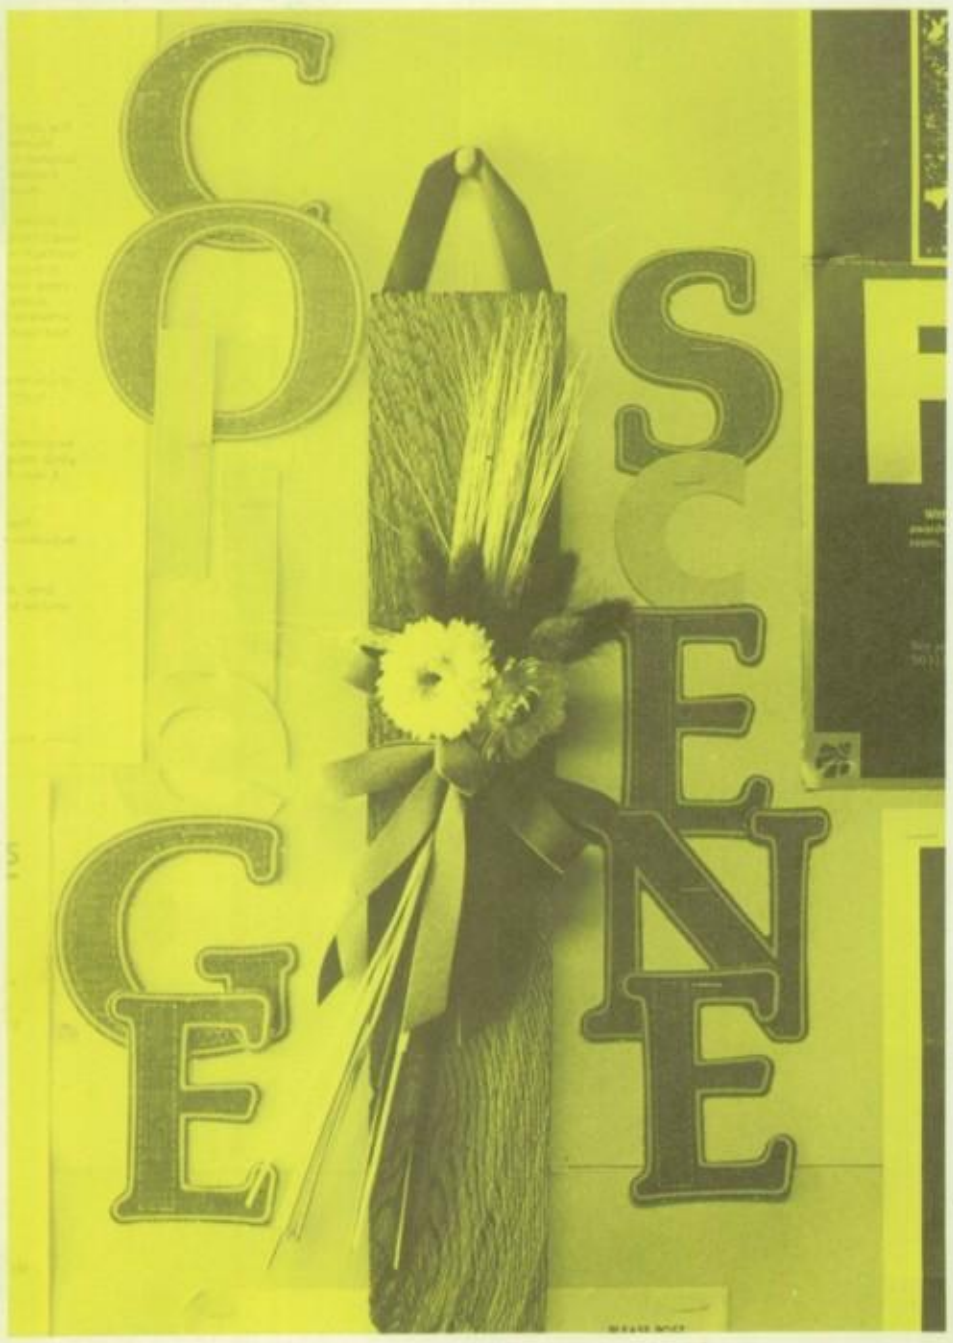
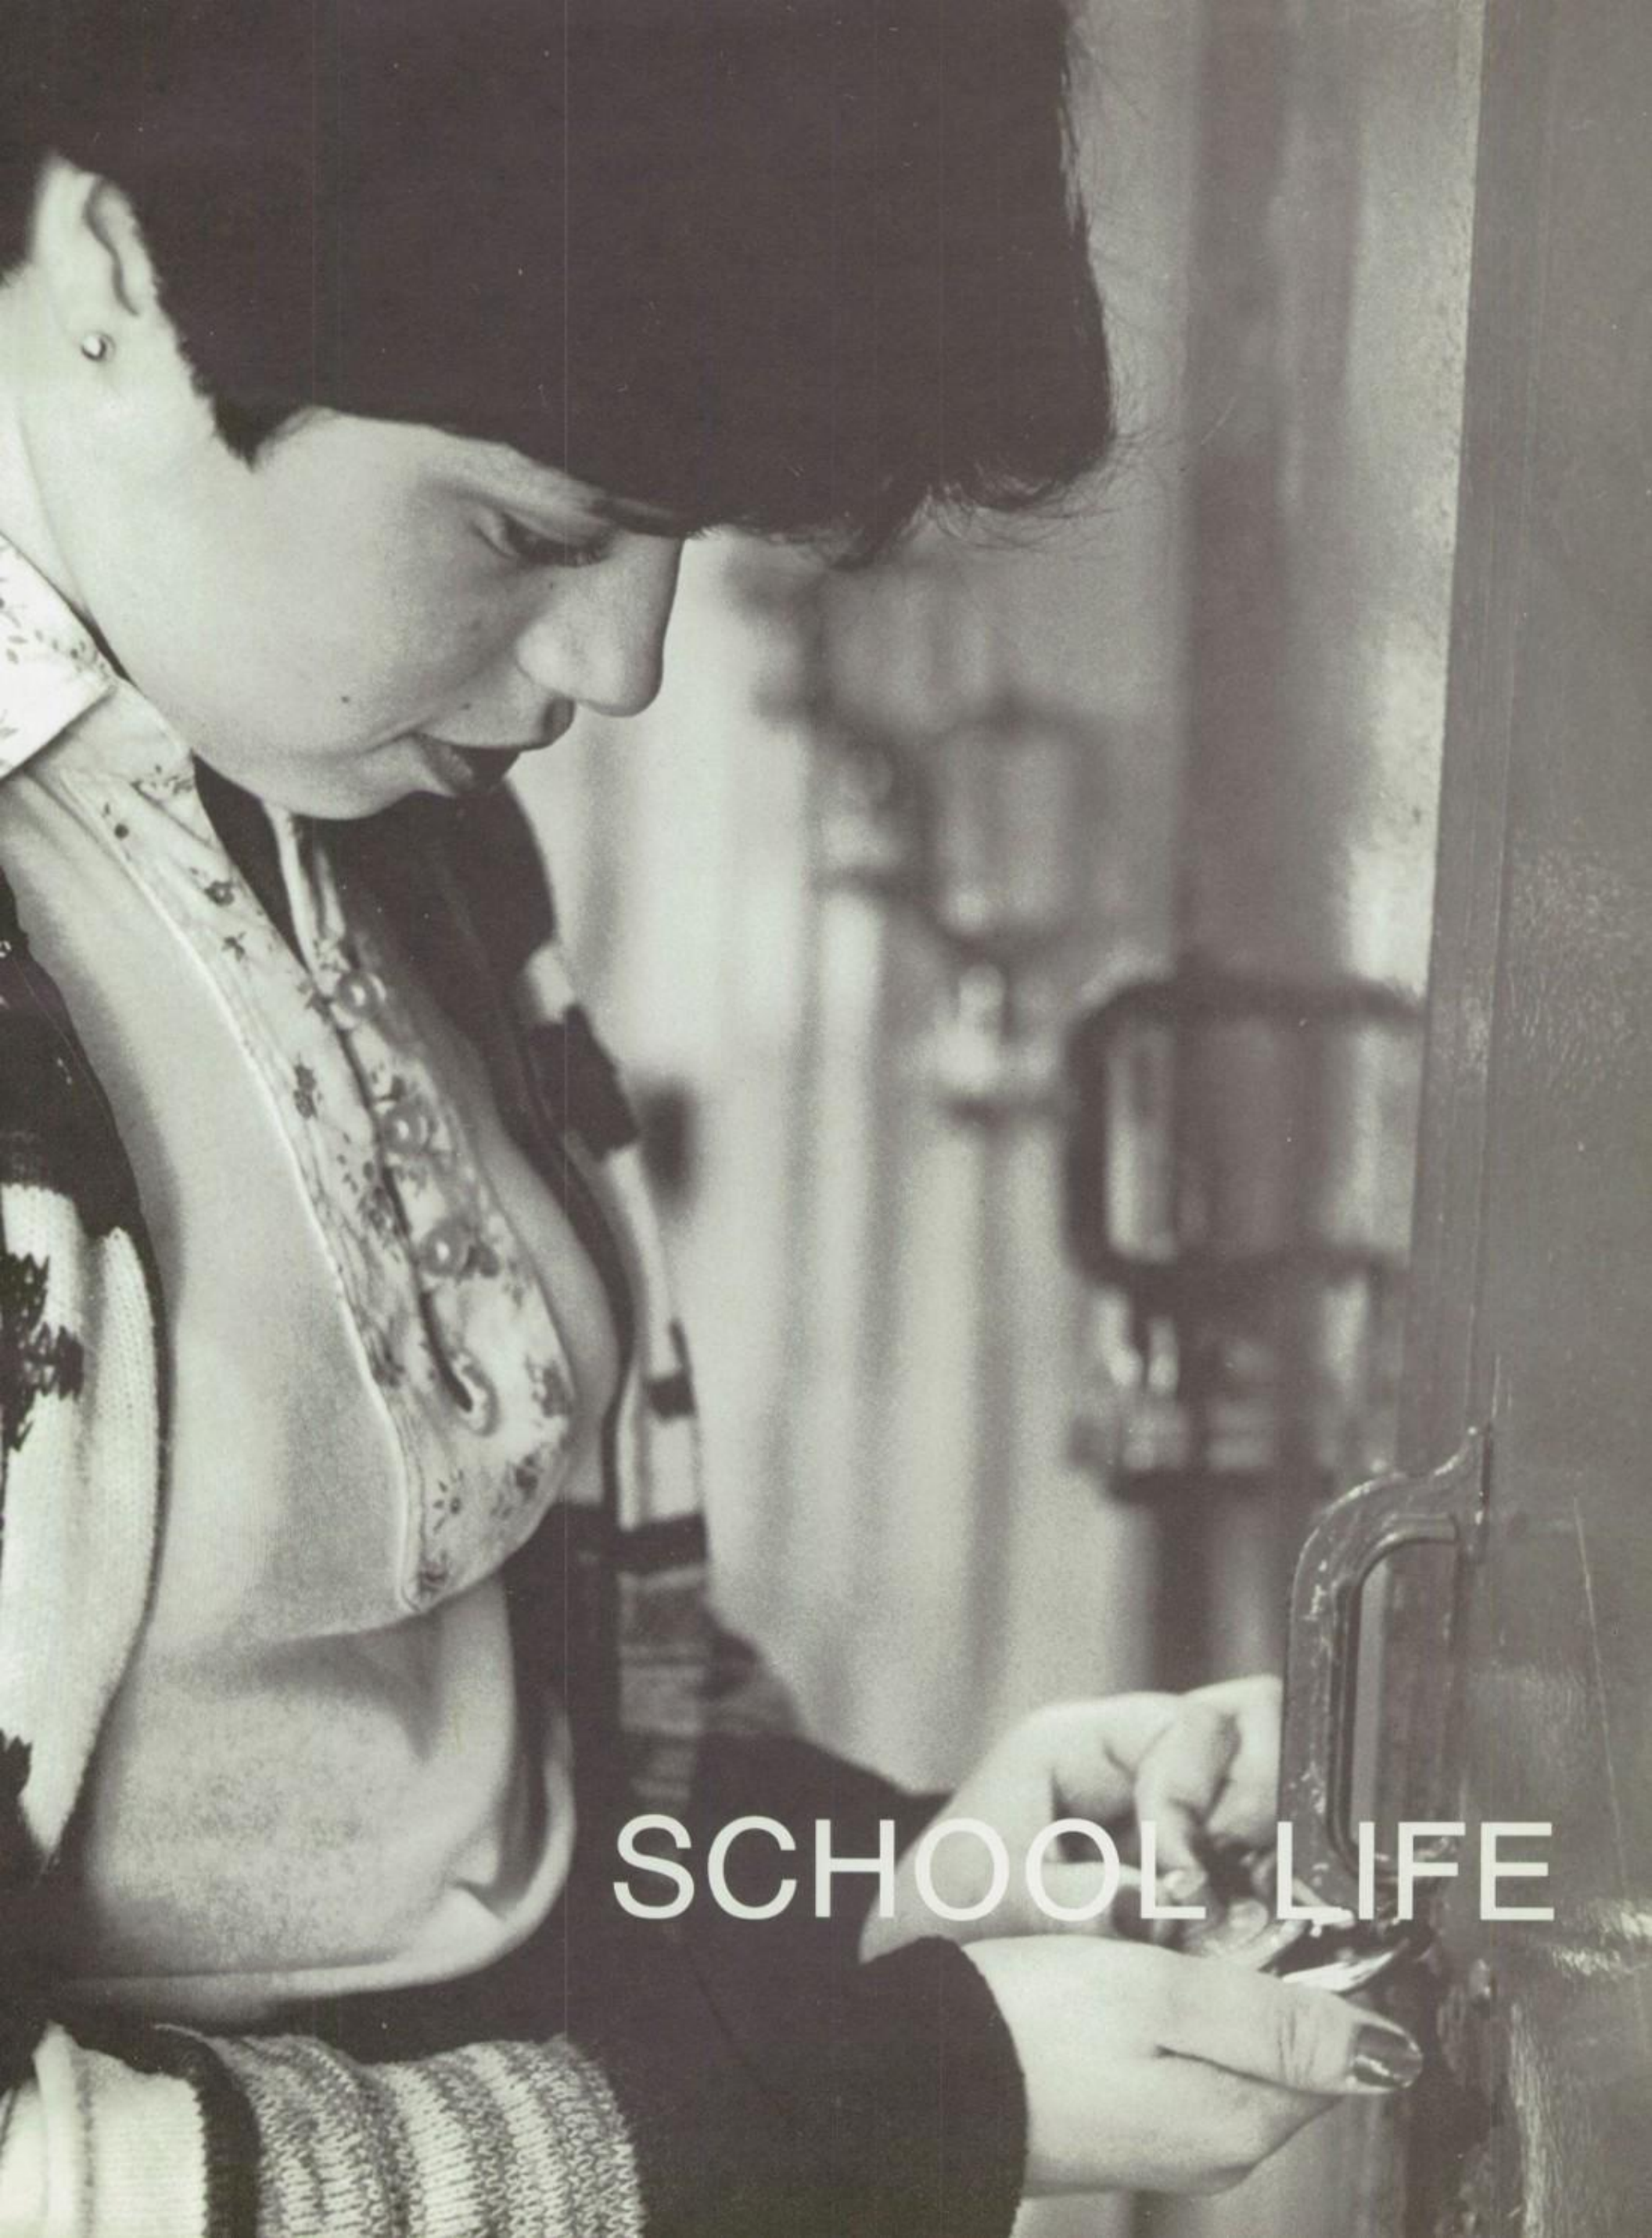
Opportunity

Our theme for the 1980 Kelvynian is opportunity. Freshmen and sophomores have before them the opportunity to make every day of their high school years another step toward a bright and successful future. Clubs, teams, and committees fill the Kelvyn scene with opportunities for all: friendship, teamwork, and involvement in projects of every kind. Juniors and seniors watch the bulletin boards to learn about colleges and careers that may soon be part of their lives.





SCHOOL LIFE

Make the most of today

From day to day, we find opportunities to learn, to share, and to make friendships at Kelvyn. Alone, and together, we explore paths that lead to discovery and growth.

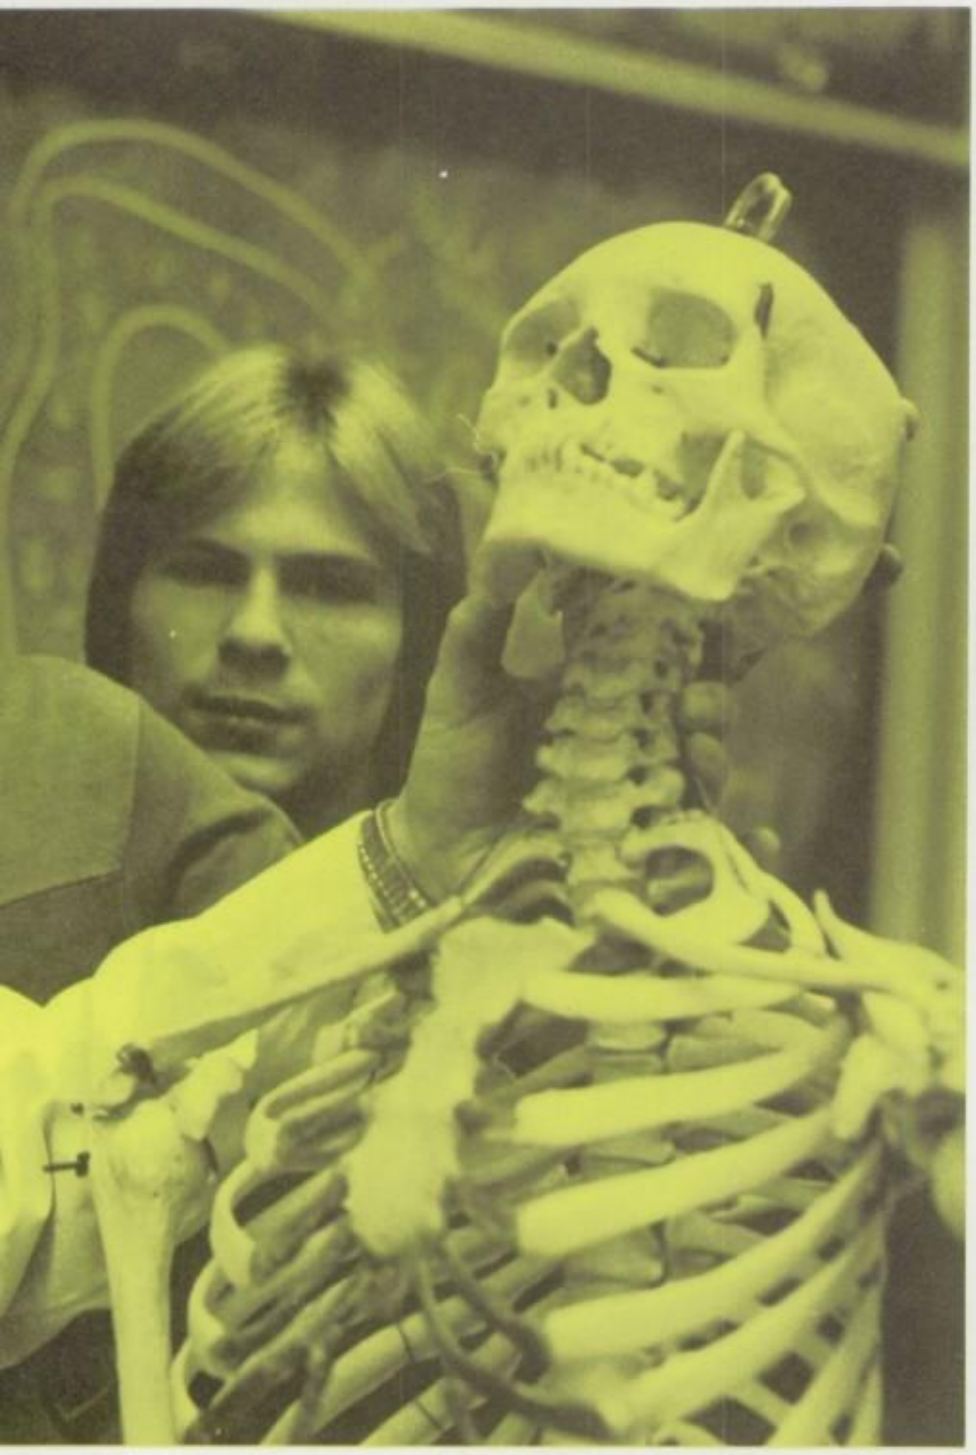
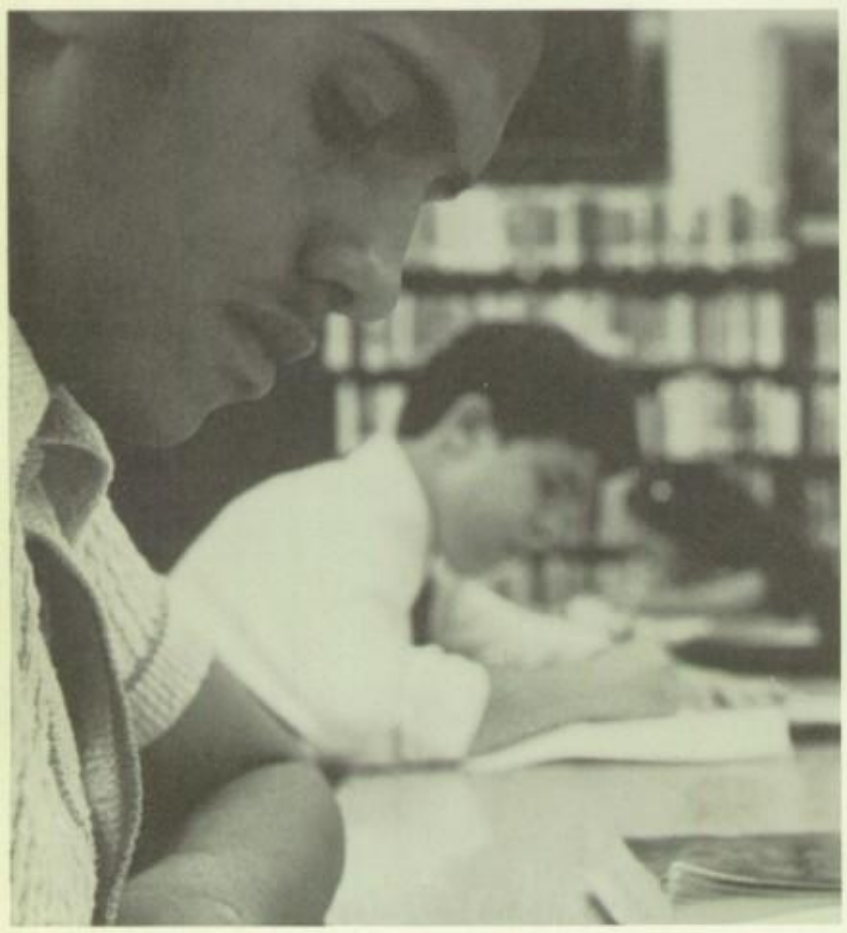
Building a firm foundation

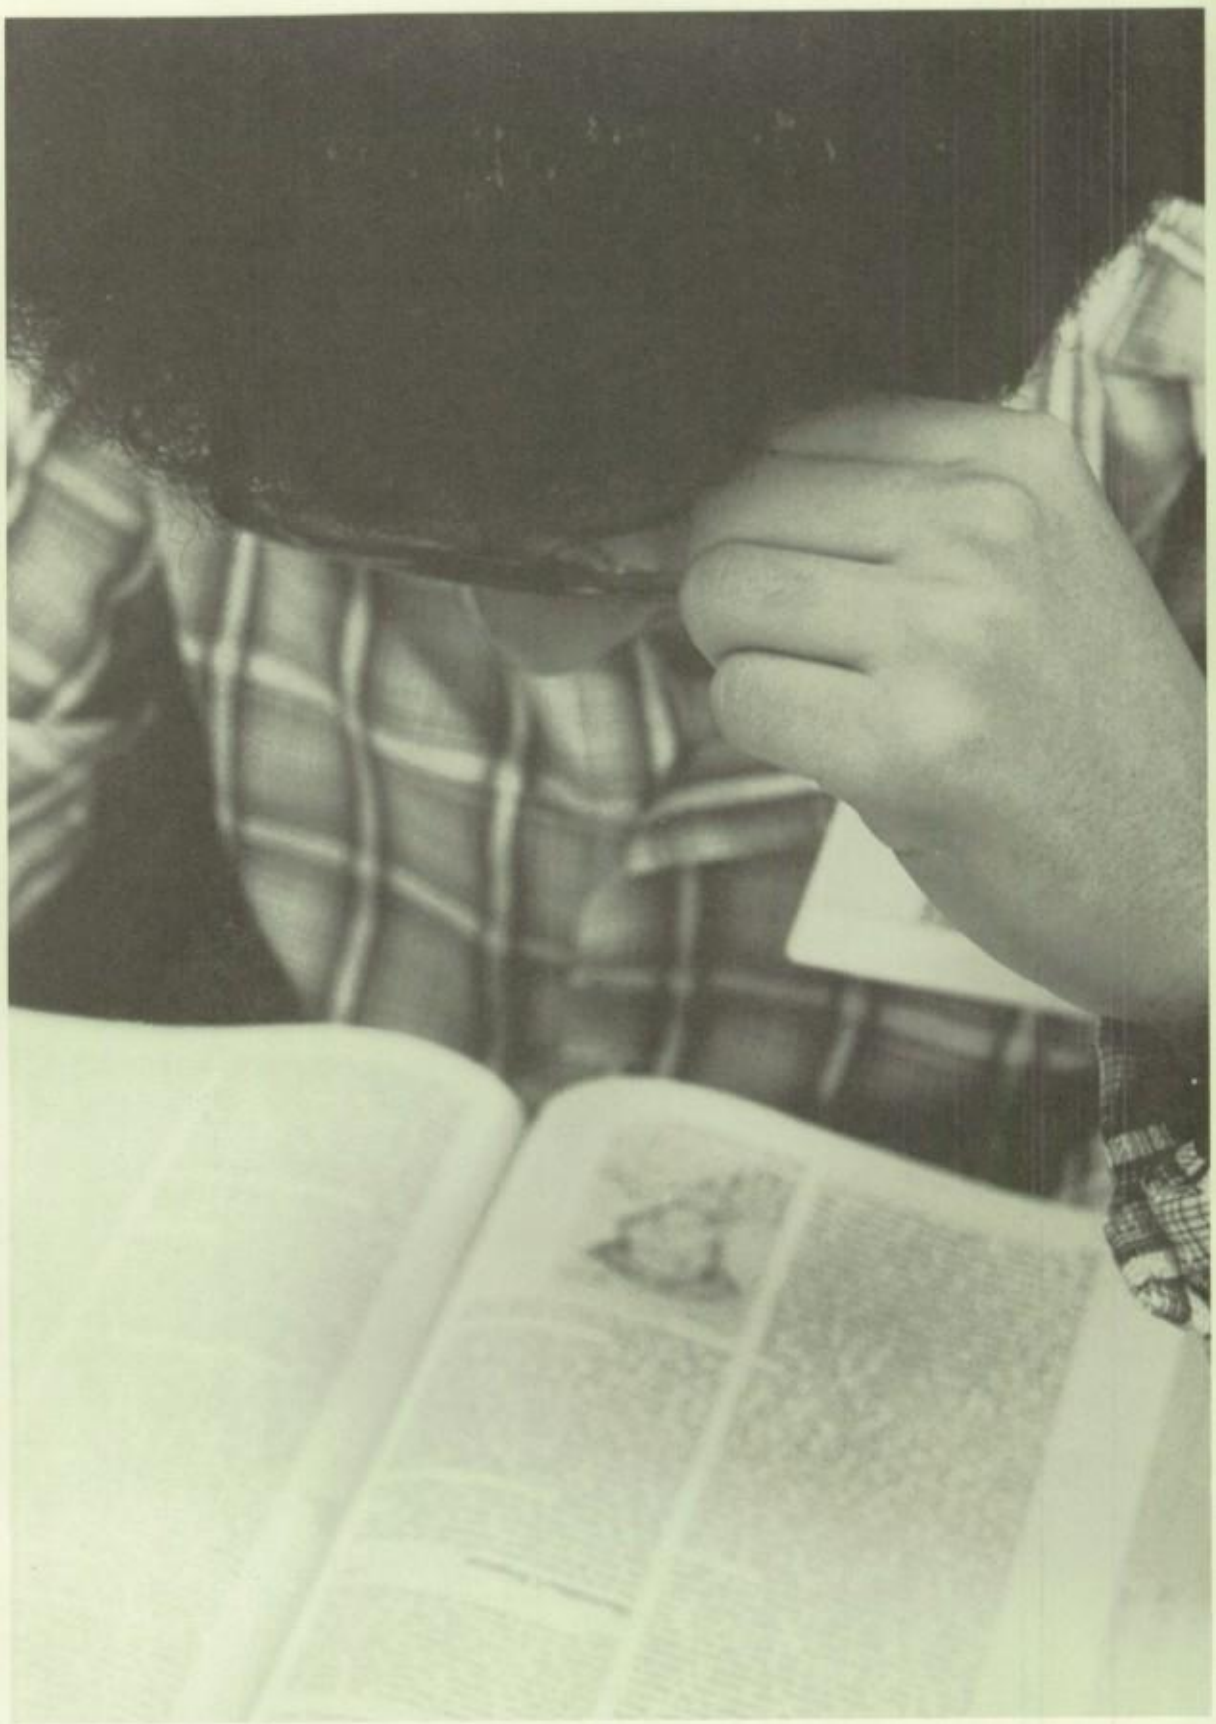


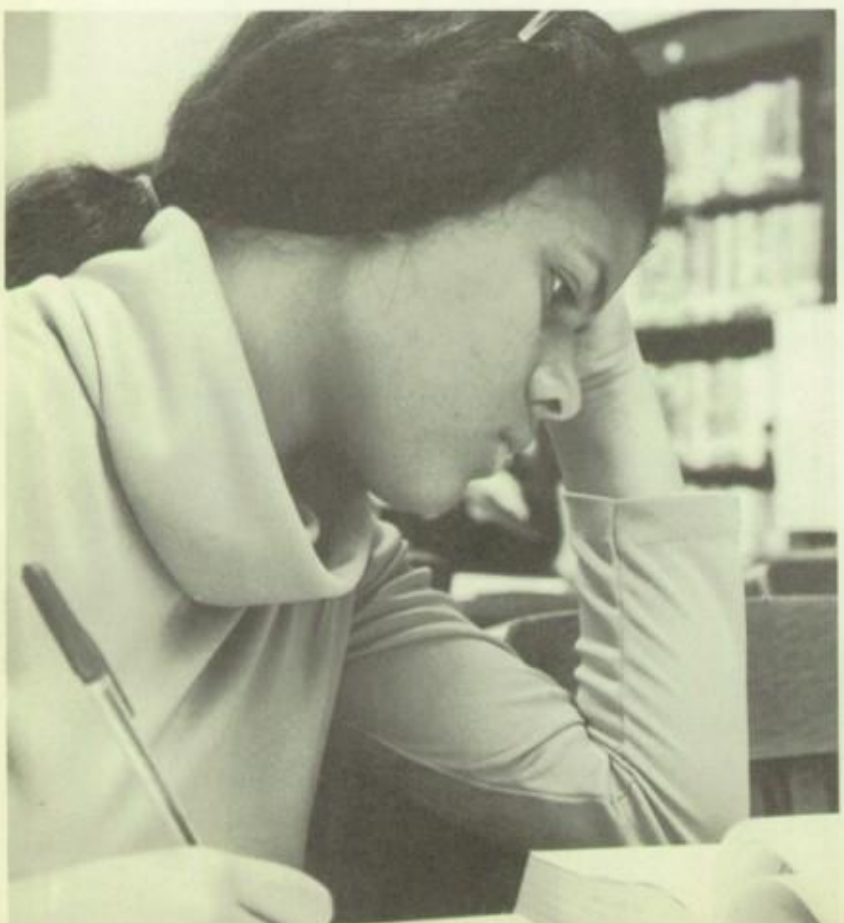
Experiment, study, and practice lead to the development of a wide variety of talents at Kelvyn — life-long interests and careers begin here!

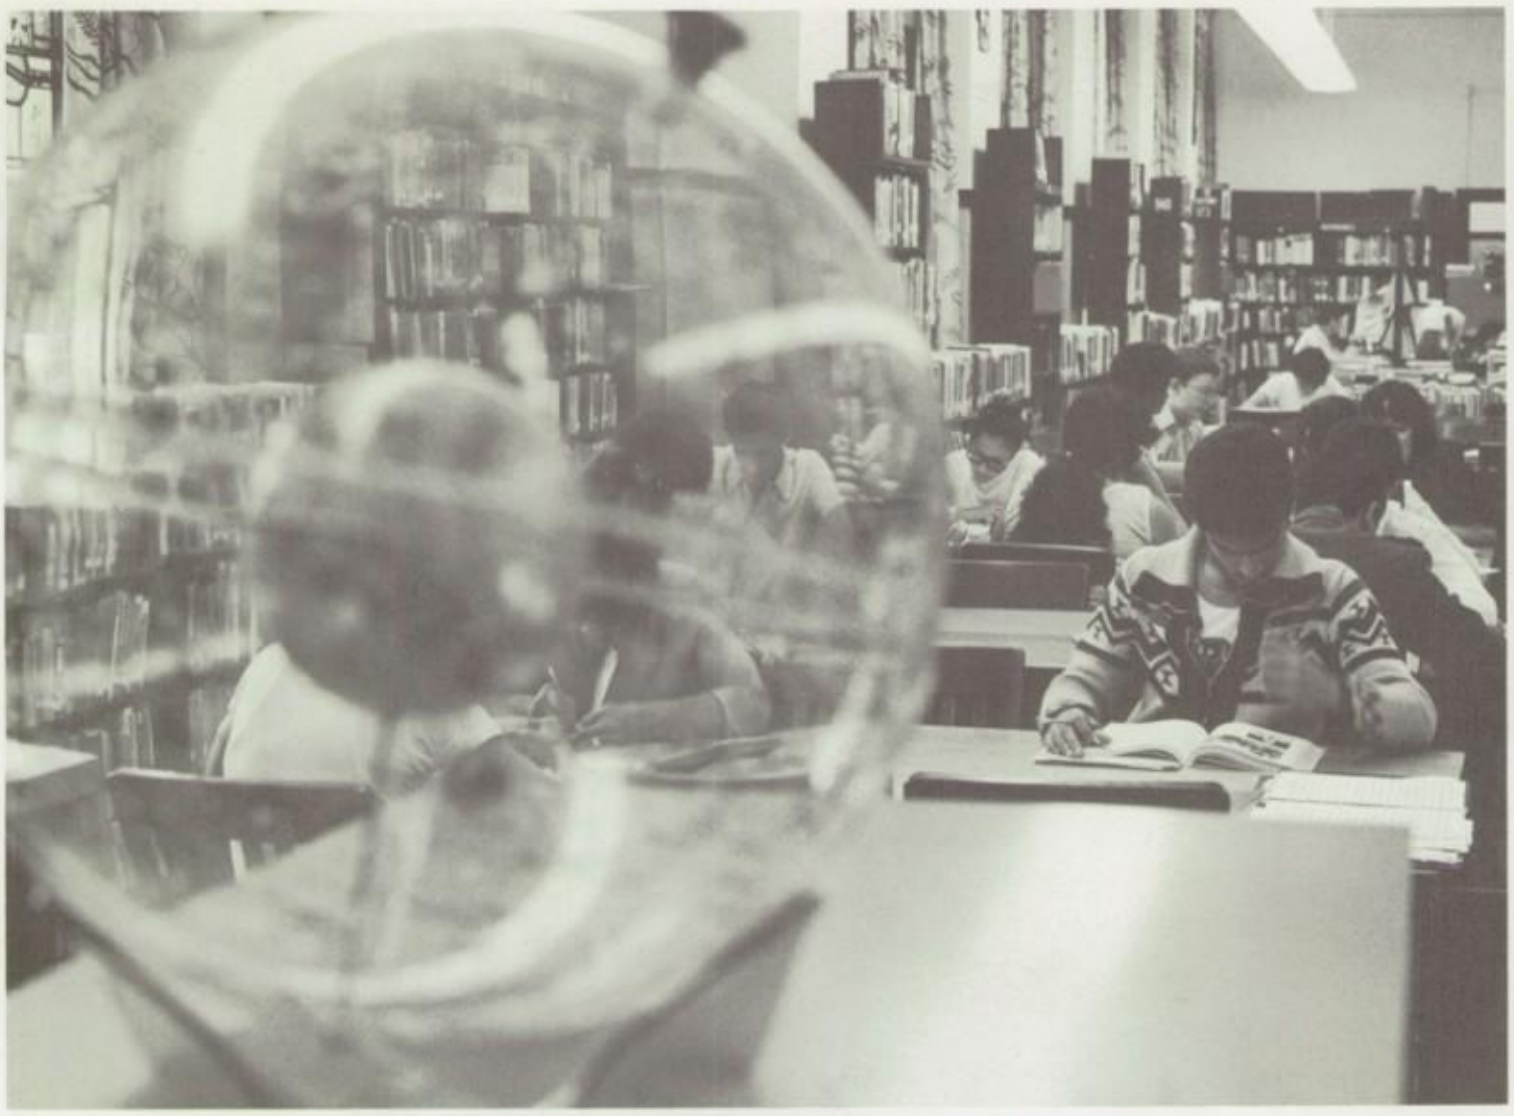
For the life of the mind

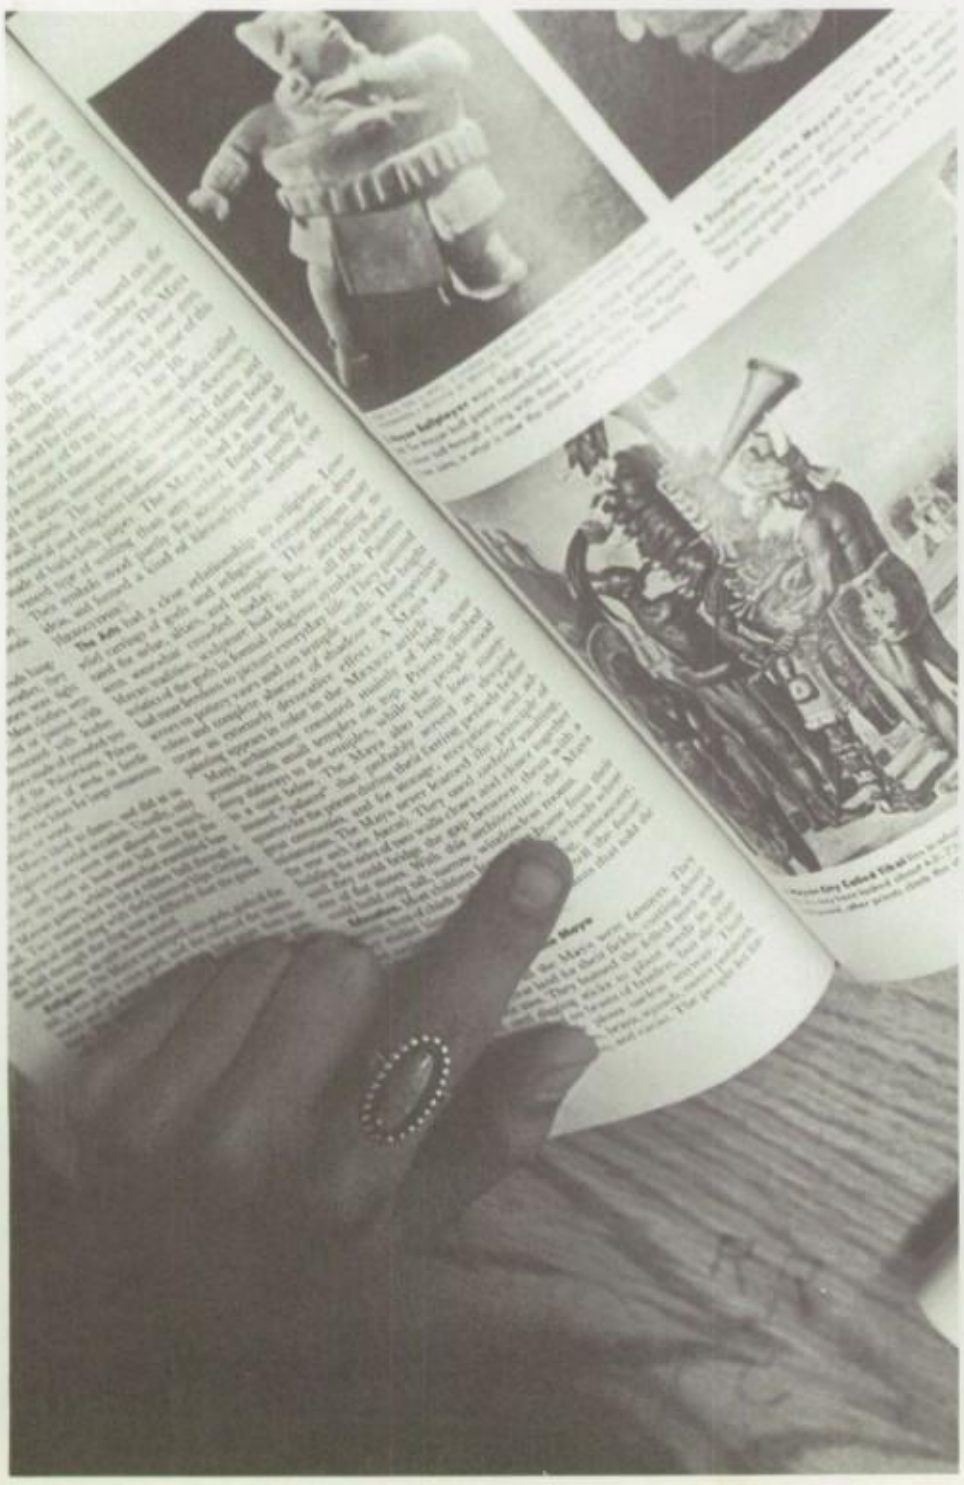
The library is quietly alive. A wealth of books and other materials offers endless opportunities to learn. Our minds are free to discover the past, to explore the present, and to dream about the future.

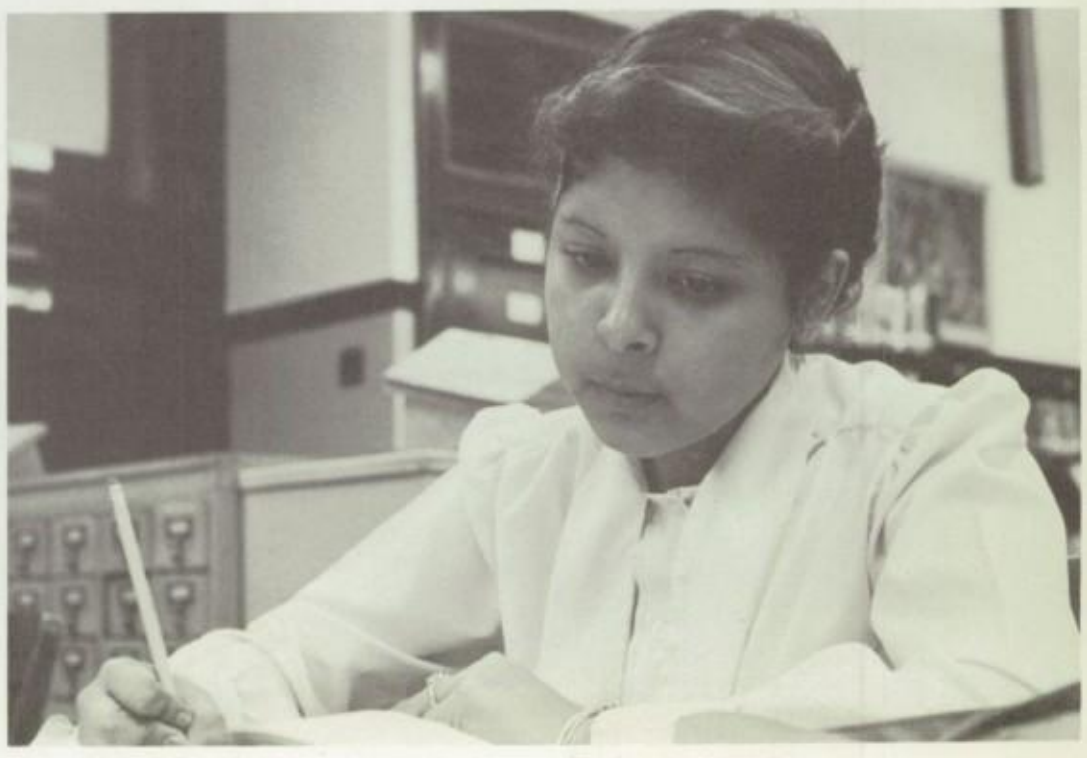










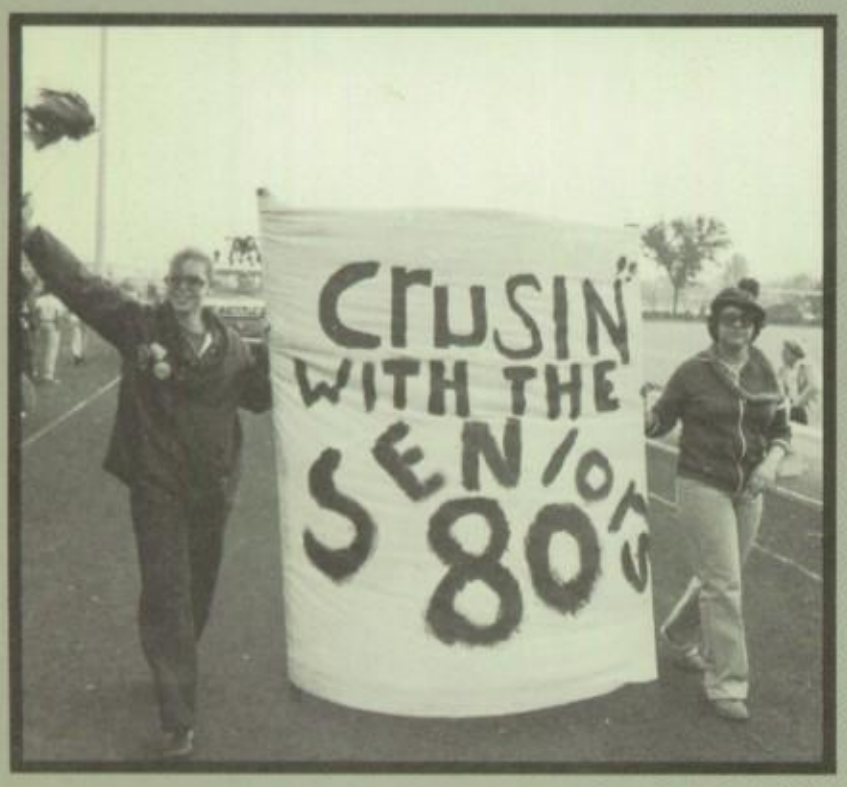


Homecoming!

What a day to remember! Our theme this year was "Cruisin'." Loyal Kelvyn Park fans gathered to watch the game with excitement and an enormous amount of school spirit. At the announcing of the queen, Tracey Roach, shouts of joy came from all directions. The homecoming king was David Tuttle; the court consisted of Sue Christoff, Freddy Aguilera, Jeannette Roldan, Gilbert Barreto, Laura Castaneda, and Anibel Flores.

Even with the Panther loss to Foreman, there was still an air of success. This feeling and the talent of disc jockey Kenny Jason created a very enjoyable homecoming dance.

At half-time the Drum and Bugle Corps marches with accuracy.



Seniors Terry Gomez and Sandra Gutierrez bring up the senior float.

Science Fair '79

Participation in the Science and Math Fair gives students the opportunity to investigate an interesting aspect of nature or a topic in mathematics. Their results are presented at the Fair, highlighted with informative charts and displays. Selected projects go on to the district and city fairs.

Mark Quinn examines a real heart in a project presented by Sue Leehy.

"Back Down Memory Lane"

Members of the Class of '81 received their class rings at a successful Junior Ring Dance held at the Regency Inn in February. Good friends, good music, and good food combined to create an evening we will always remember.

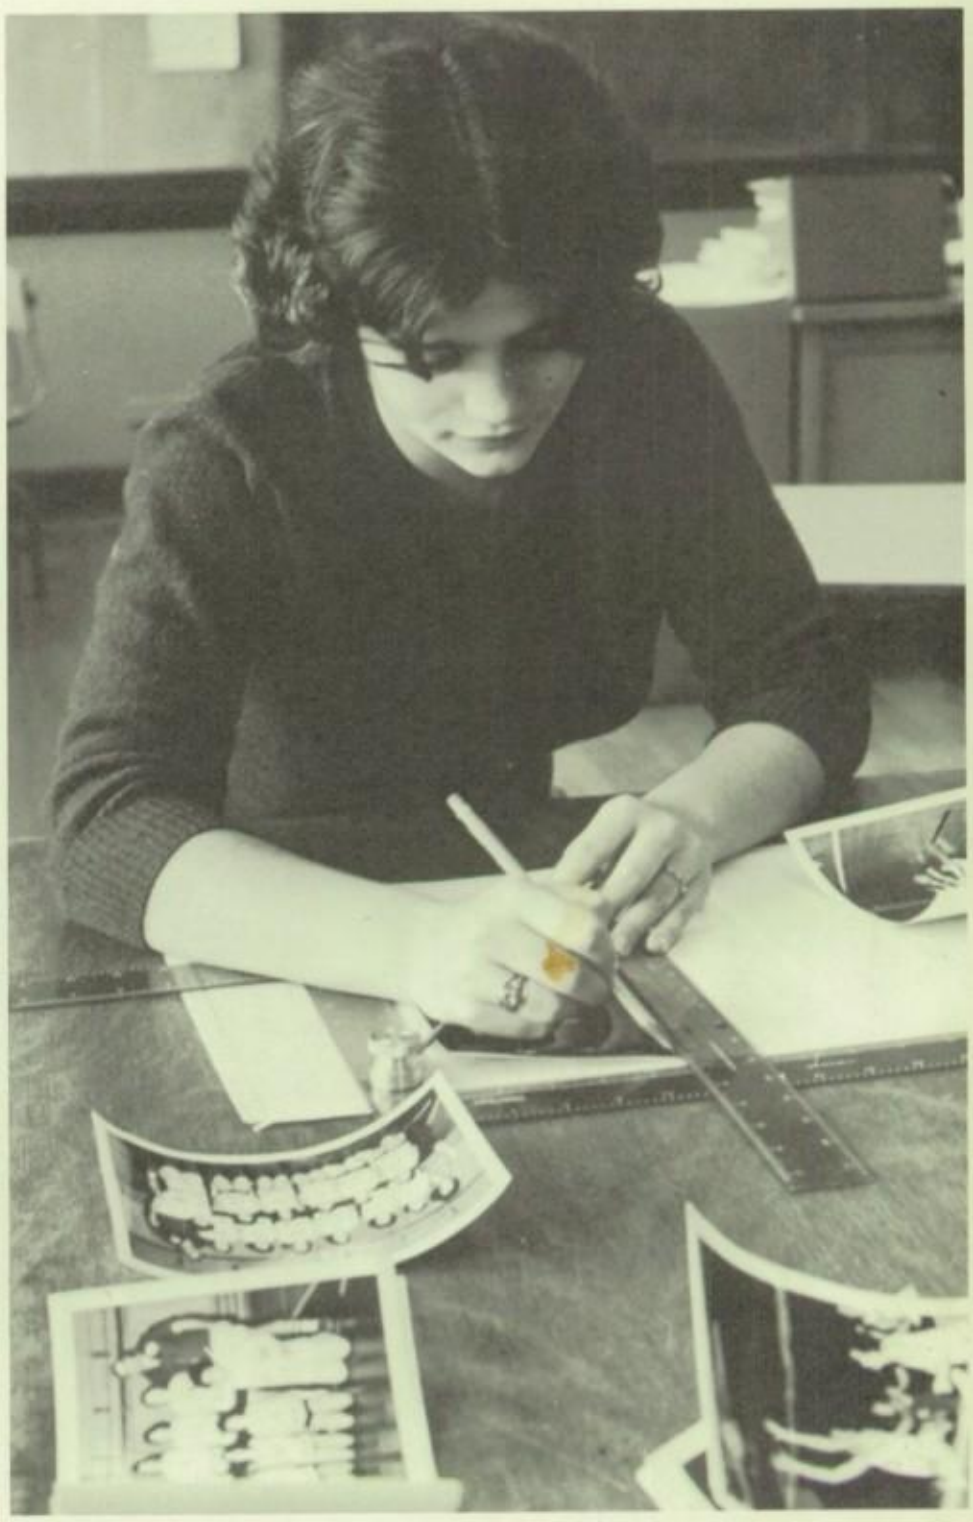
Our Kelvynian — a year-round activity

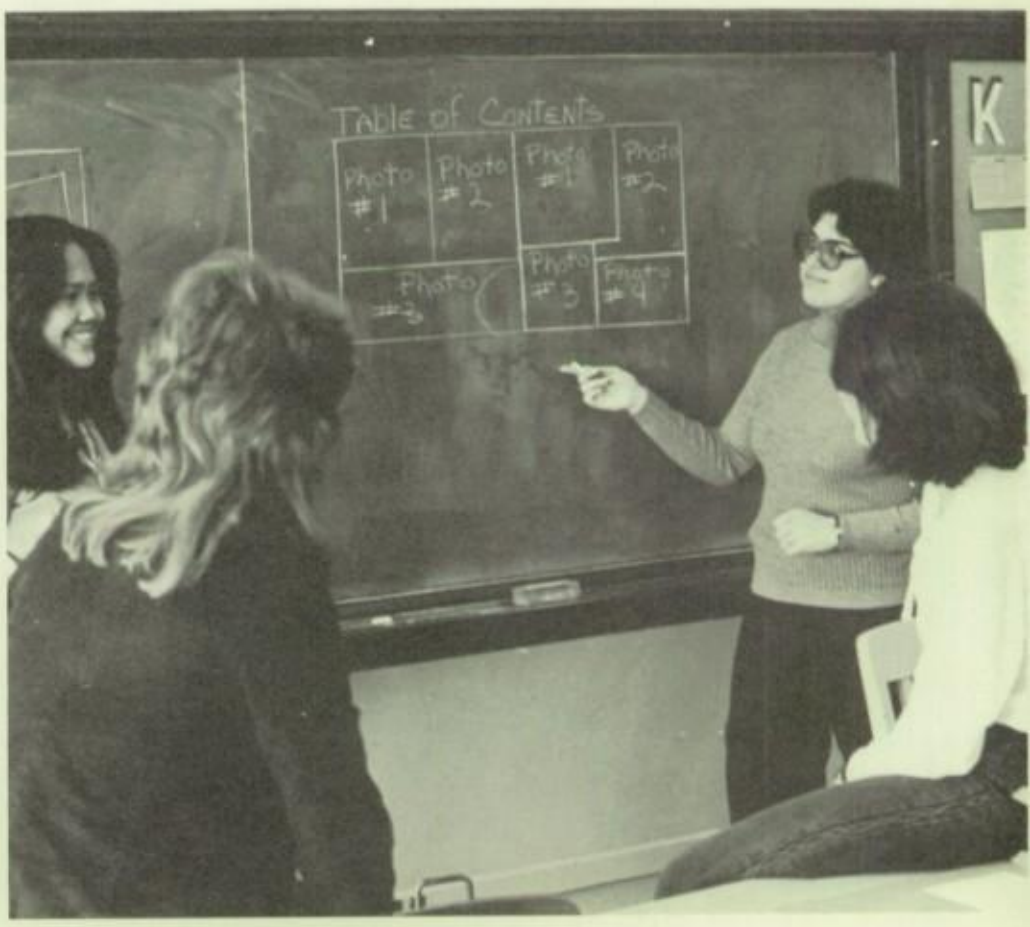
What goes into the making of a yearbook? Except for photography and printing, the staff is responsible for creating each of the pages you see in this book. Some of the work that we do in the classroom is illustrated in these photos.

Aracely, Joy, and Pam crop a photo.



Phyllis prepares photos for a sports page.

The staff listens to Sandy's explanations.



Sandy discusses the plan for the table of contents.

The staff plans for the final deadline.

Typing, too, is one of the jobs to be done.

The editors look ahead to the arrival of the yearbook.

Open House: An opportunity for our parents

Open House is parents' night. The evening provides an opportunity for our parents and teachers to meet and, with us, to discuss our progress in each of our courses. It is a time to ask questions and to talk about mutual concerns, a time to plan together to make the most of our education.

R.O.T.C. usherettes provide a warm welcome for our parents.

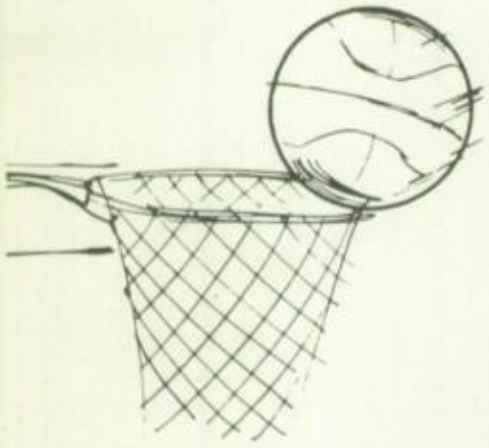
Let's hear it for the girls!



A record of 8-6 in league games and 13-9 overall gave the girls' basketball team a place in the playoffs this year, where they lost their final game by only two points. Senior co-captains Debbie Berg and Linda Barnes and the other starting seniors Irene DeLeon (MVP), Anna Arzola, and Maritza Artidiello will be hard to replace, but the talent and effort of the other team members is promising for future seasons.

Strikes and spares

The 1979-80 girls' bowling team is rising to success in more ways than one. This year the team participated in a bowl-a-thon for the Lung Association. One member of the team had a proud 400, in a series. This was the leading score in the bowl-a-thon and the spirit of the event still stirs within the hearts of the team members. Reaching for first place

The girls' softball team entered the 1980 season with one goal in mind — to win the city championship game after last year's second place finish. As the team went out for practice, they were confident that with their motivation and talent, and with Coach Nahabedian's help, they would be number one.

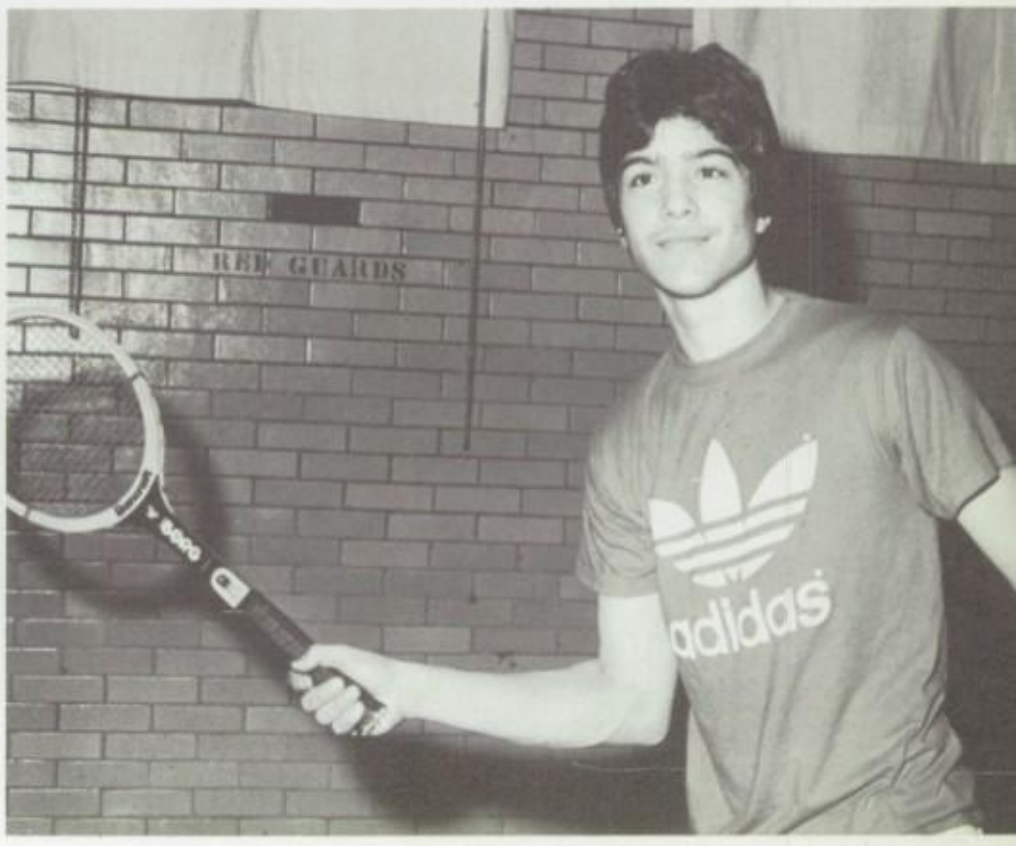
Tennis, anyone?

With the loss of last year's top two players, the 1980 Kelvyn Park tennis team had their work cut out for them. But good potential and a full practice schedule gave them hopes for a winning season.



1980 Kicking Panthers

For Kelvyn's soccer team, the 1979-80 year was a time to rebuild. Feeling the loss of last year's experienced players, they nonetheless pushed through to finish the season with two wins, five losses, and one tie. With that experience, we look for a seasoned team to bring Kelvyn Park a championship next year.

Freshmen

Freshman year is a new beginning. We try to make it a good beginning of high school life. New friends, teachers, and staff help us to move from a feeling of strangeness to a sense of belonging. We're part of Kelvyn Park now, and we look forward to three more years together.

Seniors! Our last year holds more excitement, responsibility, and higher expectations. It involves participation on the senior committees in getting things done, including the senior luncheon, an event we all look forward to. Senior year is prom night and the anticipation of graduation. We will leave Kelvyn Park with our hearts full of memories, and striving for many goals. As the 1980 Kelvynian goes to press, I would like to thank the small group of students whose effort and spirit, under pressure, helped make the yearbook possible. The seniors in the Kelvynian class — Phyllis, Sandra, Julie, Ana, Chris and Terry — all contributed with their initiative and experience. The enthusiasm and achievement of the other staff members — Aracely, Jocelyn, and Pam — also proved of real assistance. The class worked well together to continue the Kelvynian tradition.

If one advances confidently in the direction of his dreams, and endeavors to live the life which he has imagined, he will meet with success . . . If you have built castles in the air, your work need not be lost; that is where they should be. Now put the foundations under them.

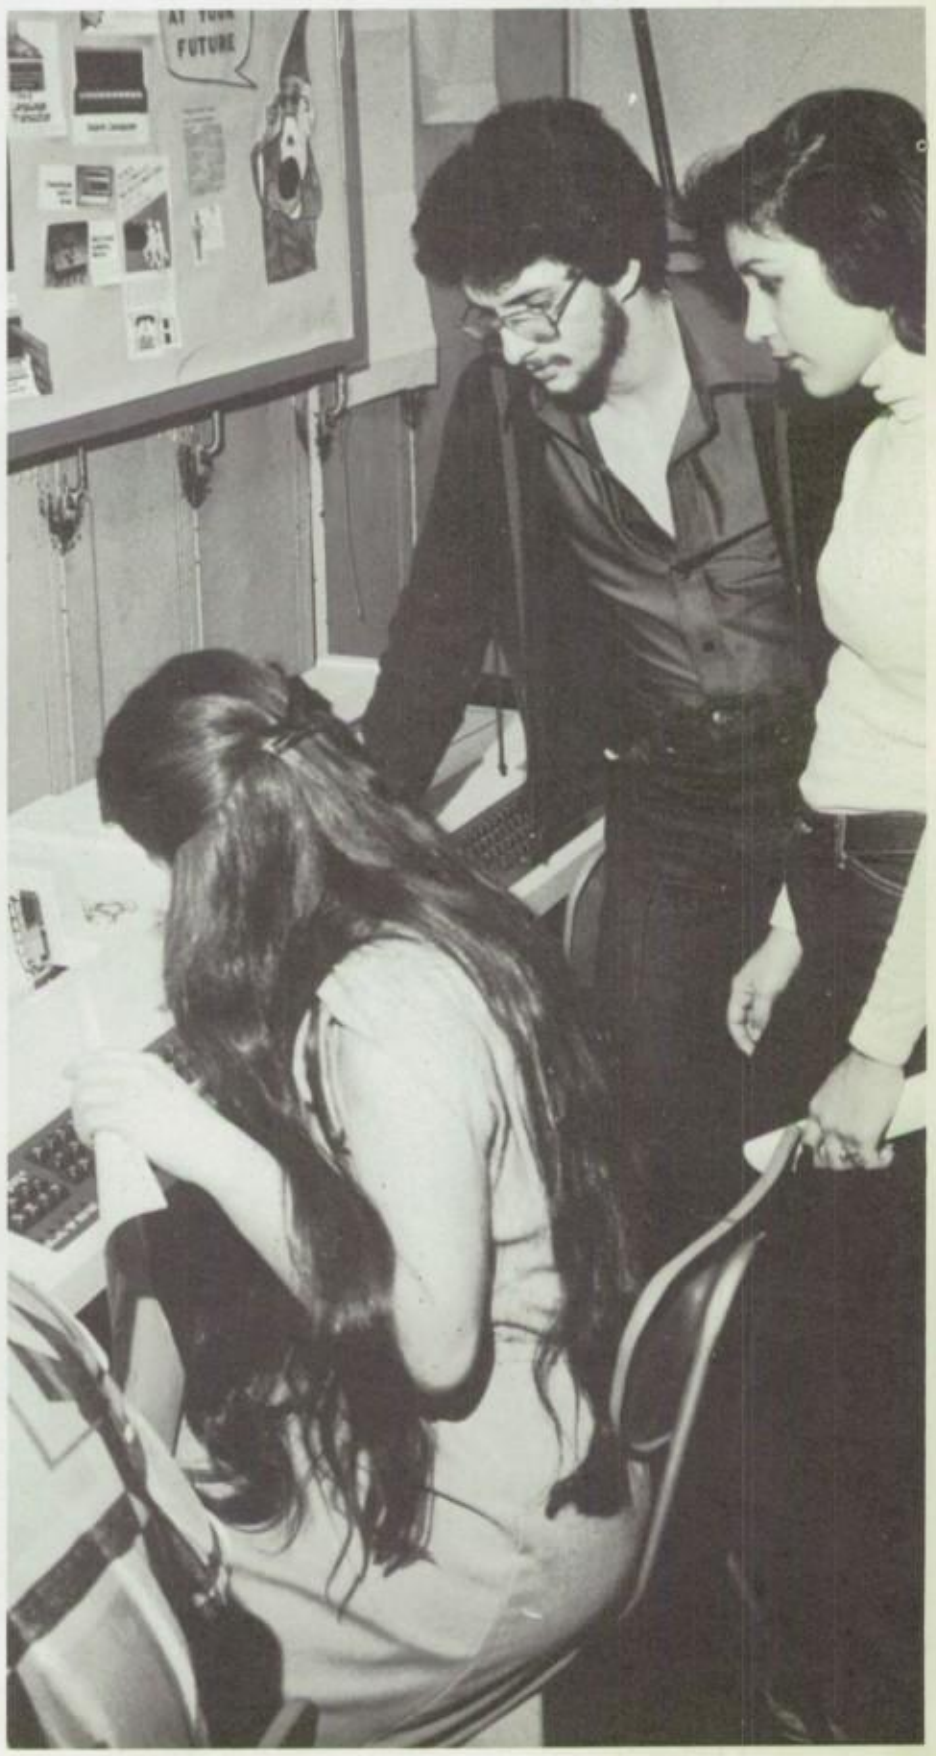
Opportunity

For all of us, the 1979-80 school year was another page in the story of our lives. For us, the seniors, it is the end of a chapter. The world of high school, with all its opportunities, will soon be in our memories. But new chapters are before us. As we say good-bye to Kelvyn, we are also greeting the world of opportunity that lies ahead. Strengthened by our education, our experience, and our friendships at Kelvyn, we reach out to the future.



As editors-in-chief, we are proud to present the 1980 Kelvynian. It wasn't easy, but we managed to work through the pressure to meet each deadline.

We would like to thank Mr. Cooper for all his time and effort, and to congratulate him on a full decade as advisor. To Mr. Moorhead, Walsworth Publishers, and Anthony Photographers, a special "thank you." Thanks also to Mr. Campbell for his artistic talent, and to Miss Savino for her efficiency. As for the rest of the Kelvynian staff, your ideas and effort were the essential part of this year's book.

We wish the best of luck to the class of '80; we hope your future leads you to many heart-warming opportunities.

Dear Sandra, I'm sure

How far can I go back. A long way back we met and since have become closer friends. I'll always cherish our friendship & the sweet times we spent together. Through thick and thin I always loved & always will. I didn't always express to you what I wanted to say, but as I shall soon leave I feel closer to you than I have ever before. I'm glad you're happily married now and I know if you let God he'll keep on doing great things in ya'll life. When things look dreary keep
